COMMUNITY SERVICE

Saying that NVB employees have been working hard this quarter to better our communities is an understatement! In April, NVB had 8 teams participating in Bowl for Kids' Sake. We blew our past record out of the water with raising a whopping \$5,800 in donations for Big Brothers Big Sister this year! Then, in mid-April, Greg Ashby took his team including Tim Shumway, Shelly Axline, Bryan Bonkowski, and Marc Carpenter to the Kidzville Deconstruction as not only a community service for Habitat for Humanity, but as a team building exercise too! Together the team was able to save quality lumber for future Habitat for Humanity projects and help prepare the site for the construction of the new and improved Kidzville. Near the end of April, NVB broke another internal record with the auction of our Carr Center Cake Auction donation. This year our cake and incentive auctioned off at the high price of \$675!

May kicked off with Julie Paxton having the pleasure of presenting Bret Thompson's Phoenix Award, sponsored by NVB, for being an outstanding citizen. By far, our busiest day was May 6th. Our 11th Annual Shred Day, organized by Cindy Freriks, was held at the South Zanesville Office where community members were welcomed to drop off any confidential documents to be safely shredded. On that same day, staff members attended the Licking County HeartChase in downtown Newark benefiting the American Heart Association. Brendan Underwood and his team took on the Executive Challenge this year raising over \$1000 for the cause! At the same time, about an hour south of Newark, our Corning staff was hard at work for the Corning Community Cleanup Day where they picked up trash and helped sweep the streets clean of debris.

June brought the Muskingum Country HeartChase to the Genesis Hospital campus where NVB volunteers ran the 'Couch Potato' station.

This station set the example to participants of how much those extra 5-10 pounds actually weigh down the body. Participants had to relay two bags of potatoes (one weighing 5lbs and one weighing 10lbs) from one area to another. NVB was also fortunate to have two teams raising money and participating in HeartChase.

with *Tim Shumway*

Tim Shumway, VP/ Loan Compliance Officer

1. First job: My first job punching a time card was at the Hyland Company in Ashland, KY. The Hyland Co. is a dog food manufacturing plant and I worked there for a summer. I could not get the smell of dog food from my nose for weeks after returning to school in the fall.
2. Three traits that define you: Responsible, humorous, and my daughter calls me 'Safety Man', but I don't wear a cape because they are dangerous.
3. Stress reliever: Yard work, hitting softballs off the batting tee, and watching comedies.
4. Most interesting place you've traveled and why: The history and intrigue of the Washington D.C. area including Gettysburg, PA.
5. Pet peeves: Lack of effort and not turning off the lights or TV when not in use.
6. Best part of the job: Never a dull moment.
7. If you won the lottery tomorrow: Retire and attend a baseball game at every MLB park. And I promised Savannah I would buy her a new Mercedes.
8. Something about you that would surprise people: I have two adopted siblings born in Guatemala.
9. Your favorite place to be: Home.
10. If you could have another job for one day, what would it be: I would love to be the owner/GM of the Cincinnati Bengals on draft day.
11. Personal hero: My father.
12. One thing you couldn't live without: My daughter.
13. Best advice for your 13 year old self: Do not let someone make you feel like you're not good enough.
14. How do you turn around a lousy day: Always have something to look forward to.
15. Your personal philosophy: Be positive and give your best effort. The only difference between try and triumph is a little "umph".
